

PROSPEED[™]
PROFESSIONAL SPORTS RADAR

**Professional Performance
Sports Radar At An Affordable Price!**

The Prospeed is your only choice when it comes to professional radar gun use for sports and special applications. Not only is it fun, but it's functional!

You can use the Prospeed as a handheld radar gun, mount it on a tripod for continuous use, or match it with our OnSite 25 Speed Sign for speed displays at special events.

Features Include:

- Tracks peak and continuous speeds
- Continuous or trigger operation
- Operates with large display signs
- Rugged power tool-type construction
- Rechargeable, interchangeable VersaPak[™] batteries
- MPH and KPH available
- Advanced DSP (digital signal processing)
- Vibrant yellow color

The Best Professional Cordless Sports Radar Made!

The Latest Technology In Your Hands

Radar Gun Carrying Cases

Soft-sided portfolios have plenty of space for your radar gun, papers, pen and more.

Hard case features a tough, plastic exterior and heavy-duty latches. Your radar gun, batteries, charger, test fork and operator's manual all fit snugly in the die-cut

Accessories

Black & Decker® Batteries and Battery Charger

Batteries are the same 3.6 volt batteries used in Black & Decker® power tools. When ordered as a kit, it comes complete with charger and two batteries. Fully charges one or two batteries in six hours.

Deluxe Tripod

The Velbon Victory 450 deluxe lightweight tripod features include a 3-way pan head with quick-release platform, pan/tilt control handle, crank operated telescoping neck and 3-section aluminum legs.

Post Mount

This handy device mounts your Prospeed radar unit to booths.

Test Forks

Use one of these "tuning forks" to check the accuracy of your Prospeed radar gun.
